

Low Carbon Opportunities Programme

- ERDF funded programme to support Worcestershire SMEs with Low Carbon Innovation or Renewable Energy Generation projects
- Offers Free Business Assists from specialist advisors and grants up to 100k (subject to 55% SME contribution)

Low Carbon Opportunities Programme

Business Assist

The Free Business Assist can help to find out:

- Which system would be the most beneficial for the business and how much money (and carbon) could be saved by installing renewable technologies

OR

- The best ways to succeed in the journey of commercialisation of the clean tech innovation with the support that is tailored to the needs of the business

Low Carbon Opportunities Programme Grants

Following the business assist, it is then possible to apply for grants related to capital and revenue projects.

Examples of projects that could be supported:

Renewable Energy Generation projects, the grants could assist with installing a system such as:

- Solar PV array
- Biomass boiler
- Energy storage
- Heat network – to name a few!

OR

Low Carbon Innovation projects, the grants could assist with projects such as:

- Product Development
- Market Research
- IPR Protection
- Prototyping and so on

- Lighting
- Compressors
- Heating/Insulation
- Energy Storage
- Energy Management
- And many more!

Please Join us at the...

Renewable Energy Marketplace Event

Could you install renewable energy at your business?

Come along to our Renewable Energy Marketplace to find out about which renewable energy systems might work for your business, meet local installers and find out about our grant funding.

This event will give you help to understand the range of renewable energy systems. It will also take you through our easy application process, which can lead to up to 45% funding for your project.

Tuesday 11th July 2017
Worcestershire County
Cricket Club, WR2 4QQ
8:00am - 11:30am

Join us at 8:00am for breakfast
and an opportunity to meet local
installers of renewable energy.

For more information contact
Don Gembeckas on 01905 843 902
or email: dgembeckas@worcestershire.gov.uk
